Section 2.1 Voting. The Town Association shall have two classes of memberships:

Class A. Class A Members shall be all of the Owners. Each Class A Member shall be entitled to one (1) vote for each Lot in which the Class A Member holds the interest required for membership in the Town Association, except as otherwise provided in a Supplement.

ARTICLE 10 INDEMNIFICATION AND INSURANCE

Section 10.1 Certain Definitions. For the purposes of this Article, "agent" means any person who is or was a director, officer, employee or other agent of the Town Association, including, without limitation, the members of the Town Design Review Board, or is or was serving at the request of the Town Association as a director, officer, employee or agent of another corporation, or was a director, officer, employee or agent of a corporation which was a predecessor corporation of the Town Association; "proceeding" means any threatened, pending or completed action or proceeding, whether civil, criminal, administrative or investigative; and "expenses" includes, without limitation, attorneys' fees and costs and any expenses of establishing a right to indemnification under Section 10.3 or Section 10.4(c).

Section 10.2 Indemnification. This Town Association shall indemnify any person who was or is a party or is threatened to be made a party to any proceeding (other than an action by or in the right of this Town Association to procure a judgment in its favor) by reasons of the fact that such person is or was an agent of this Town Association against expenses, judgments, fines, settlements and other amounts actually and reasonably incurred in connection with such proceeding if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the Town Association and, in the case of a criminal proceeding, had no reasonable cause to believe the conduct of such person was unlawful. The termination of any proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent shall not, of itself, create a presumption that the person did not act in good faith and in a manner which the persons reasonably believed to be in or not opposed to the best interests of the Town Association or with respect to any criminal proceeding that the person had reasonable cause to believe that the person's conduct was unlawful. However, no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the Town Association in the performance of such person's duty to the Town Association, unless and only to the extent that the court in which such proceeding is or was pending shall determine upon application that, in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for the expenses which such court shall deem proper.

Section 10.3 Expenses in Successful Defense. To the extent that an agent of the Town Association has been successful on the merits in defense of any proceeding referred to in Section 10.2 or in defense of any claim, issue or matter therein, the agent shall be indemnified against expenses actually and reasonably incurred by the agent in connection therewith.

Section 10.4 Determination of Standard of Conduct. Except as provided in Section 10.3, any indemnification under this Article shall be made by the Town Association only if authorized in the specific case, upon a determination that indemnification of the agent is proper in the circumstances because the agent has met or exceeded the applicable standard of conduct set forth in Section 10.2, as determined by:

(a) A majority vote of a quorum consisting of Directors who are not parties to such proceeding;

(b) Approval or ratification by the affirmative vote of a majority of the total voting power of the Town Association as cast by the Members at a duly held meeting of the Town Association at which a quorum is present;

(c) The court in which such proceeding is or was pending, upon application made by the Town Association or the agent or the attorney or other persons rendering services in connection with the defense, whether or not such application by the agent, attorney or other person is opposed by the Town Association; or

(d) Independent legal counsel in written opinion, engaged at the direction of a quorum of disinterested Directors.

Section 10.5 Advancing Expenses. Expenses incurred in defending any proceeding may be advanced by the Town Association prior to the final disposition of such proceeding upon receipt of an undertaking by or on behalf of the agent to repay such amount if it shall be determined ultimately that the agent is not entitled to be indemnified as authorized in this Article.

Section 10.6 Extent and Limitations of Indemnifications. No indemnification or advance shall be made under this Article, except as provided in Section 10.3 or paragraph Section 10.4(c), in any circumstance where it appears:

(a) That it would be inconsistent with a provision of the Articles, these Bylaws, a resolution of the Town Council or Members or an agreement in effect at the time of the accrual of the alleged cause of action asserted in the proceeding in which the expenses were incurred or other amounts were paid, which prohibits or otherwise limits indemnification; or

(b) That it would be inconsistent with any condition expressly imposed by a court in approving a settlement.

This Article shall create a right of indemnification for each agent referred to in this Article, whether or not the proceeding to which the indemnification relates arose in whole or in part prior to adoption of this Article; and in the event of the death of such agent, whether before or after initiation of such proceeding, such right shall extend to such agent's legal representatives. In addition, to the maximum extent permitted by applicable law, the right of indemnification hereby given shall not be exclusive of or otherwise affect any other rights such agent may have to indemnification, whether by law or under any contract, insurance policy or otherwise.

Section 10.7 Liability Insurance. The Town Association may purchase and maintain insurance on behalf of any agent of the Town Association against any liability asserted against or incurred by the agent in such capacity or arising out of the agent's status as such, whether or not the Town Association would have the power to indemnify the agent against such liability under the provisions of this Article.

ARTICLE 11 MISCELLANEOUS

Section 11.1 Checks, Drafts and Documents. All checks, drafts or other orders for payment of money, notes or other evidences of indebtedness issued in the name of or payable to the Town Association shall be signed or endorsed by such person or persons, and in such manner as, from time to time, shall be determined by resolution of the Town Council.
