Resident of Hidden Springs Since?

Why are you interested in serving on the Open Space Committee?

I declare my intent to participate as a member of the Open Space Committee for 2017. I am committed to preserving and protecting the scenic, historic, scientific, educational, natural, agricultural, wild life habitat, open space and water resource values of the open space area. I will review proposals, Firewise initiatives, staff reports and other information affecting the natural open spaces and conservation lands of Hidden Springs. As a member of the committee, I will deliberate on proposals or projects to insure consistency with existing CCR's, Conservation Easements, environmental laws and community interest. And as an appointed member vote on recommendations that are in the best interest of the Hidden Springs Community as a whole.
