

Community Pool Information 2025

Opening Day – Scheduled for May 23

Hidden Springs Town Association (HSTA) pools are community facilities intended for Association members and/or residents and their guests private use and personal enjoyment. The pools are for the pleasure of every member and/or resident and the rules are in place to ensure the fun, enjoyment and safety of our neighbors.

Community Access Card

An access card or key fob is required to access each pool. If the HOA account associated with your access card is delinquent (HOA/Sewer Assessments), access is suspended until the account is **paid in full**. Visit the Town Office during regular business hours to settle your account or replace a lost/stolen access card. Replacement cards are \$25.00. Providing pool access to another member and/or resident (**whose card is not working**) shall result in suspension of your family's access for the pool season.

Pool Hours / Schedule / Daily Closures

Please refer to the Weekly Pool Schedule for Cleaning, Lap Swim, Aqua Fit, Swim Team and Open Swim hours at each pool. The pools are CLOSED each morning, six days a week for cleaning, testing and the addition of chemicals. Members and/or residents may remain pool side while Pool Doctor is on site however, if Pool Doctor reports an issue, (for example, failure to exit the pool) it will result in suspension of your family's access for 30 days.

Member and/or Resident Guests

As guests are not members of the association, they must be accompanied by a member and/or resident adult who is 18 years of age or older with a valid access card.

Swim Lessons

Members may hire a private swim instructor for swim lessons. Non-resident swim instructors providing lessons to a member, are the guest of that member. Non-residents providing swim lessons to non-residents are trespassing and will be asked to leave. Please check the pool schedules before you schedule swim lessons with a private instructor to avoid conflicts with other pool activities.

Smart Start Preschool

Smart Start Preschool students (who are also Hidden Springs Town Association members) will enjoy the Clubhouse Pool on Mondays and Thursdays from 11:00am to 12:30pm. The Clubhouse Pool is available for other uses during this time. This information is included at the request of members who wanted to know when the pool was being used by the preschool.

Biological Incidents

If a biological incident occurs (vomit, blood, and/or fecal matter), Association staff will respond and close the pool(s). If on site, the staff will clean up the biohazards (yes, scoop the poop) and add the necessary chemicals in order to get the pools open again as quickly and safely as possible. In the event the staff is not onsite, the pool will be locked up and the pool contractor and/or the janitorial company called in for clean-up. As soon as things are cleaned up and chemically treated, the pool(s) will be reopened. **If a biological incident occurs (vomit, blood, and/or fecal matter) please call 208-447-9427 or 208-602-9836.** Remember, swimmers not or recently toilet trained or incontinent **MUST** wear a swim diaper **AND** rubber swim pants that fit snugly at the waist and legs with their bathing suit. Disposable diapers are not allowed. Diapers must be changed in the bathroom facilities, not poolside or on a poolside table or chair.
